Beyond Bike Cleaner RM 640N Concentrate

Bike cleaner concentrate for application with foam jets of Kärcher medium and low pressure cleaners, and as a refill for the Beyond Bike Cleaner in a 0.5 l spray bottle.

Made in Germany

ECODETERGENT
www.ecocert.com

Properties

- With over 99% naturally derived ingredients, the formula reliably removes dirt typically found on bikes, such as dust, mud, etc.
- The detergent does not contain any acids, solvents, colourants, fragrances or silicones
- Tested for material compatibility on carbon, aluminium, rubber, etc.
- The surfactants used are 100% plant-based and do not contain any mineral oil-based surfactants
- The body of the bottle is made from 100% recycled plastic
- The concentrate allows to refill the spray bottle up to 4 times
- Suitable for application with the foam jets of Kärcher medium and low pressure cleaners
- The concentrate, which can be diluted with water, dissolves the dirt quickly and can then be rinsed off with little water – for a lower environmental impact

Usage options

- Manual
- Foam jet

Beyond Bike Cleaner RM 640N Concentrate, 0.011-107.0, 2026-11-19

Application

With foam nozzle

- For KHB/OC 6-18: fill the foam jet with approx. 300 ml water, then add two capfuls (40 ml) of the concentrate. After cleaning, rinse with clear water.
- For OC 3/OC 4: fill the foam jet with approx. 300 ml water, then one capful (20 ml) of the concentrate. After cleaning, rinse with clear water.

Manual

- Fill the Beyond Bike Cleaner spray bottle with three parts water and one part bicycle cleaner concentrate.
- A mark on the label of the original spray bottle makes dosing easier. Fill with water (375 ml) up to the green mark, then fill with the concentrate (125 ml) up to the upper edge of the bottle.
- One bottle of concentrate (0.5 l) provides 2 litres of ready-to-useBeyond Bike Cleaner.

Warnings and safety recommendations according to EC Directives
