

3-in-1 Plastic Cleaner Detergent

The Kärcher 3-in-1 plastic cleaner is a powerful detergent with a 3-in-1 formula which gives you an exceptional cleaning performance thanks to its effective dirt remover, colour and a material protection formula. For out-standing cleaning efficiency, care and protection in one step. This plastic cleaning detergent from Kärcher can be used on garden furniture, PVC window frames and other plastic surfaces.

Properties

- Active dirt remover for quick and efficient cleaning of bird droppings and stains from emissions
- Efficient colour protection formula slows down yellowing and bleaching of plastic surfaces
- Material protection formula for long-lasting flexibility and durability of garden furniture, window frames and plastic panels
- The Plug 'n' Clean system is the easiest and quickest way to apply detergent using a Kärcher pressure washer
- Ready to use cleaning agent (RTU)
- The body of the bottle is made from 100% recycled plastic.
- Made in Germany

Application areas

Window frames
Plastic panels

Usage options

- High-pressure cleaners

Technical data

Container sizes	Packaging unit	Part number
1 l	6 Piece(s)	6.295-758.0

Application

High-pressure cleaners

- Connect bottle to the pressure washer, put the suction hose in the bottle or pour the detergent into the tank. Dispense under low pressure, let it soak in for a short while and then rinse thoroughly under high pressure. Repeated application increases the care and protection effect.

Warnings and safety recommendations according to EC Directives

- H315 Causes skin irritation
- H319 Causes serious eye irritation
- P102 Keep out of reach of children.
- P264 Wash thoroughly after handling.
