- Childproof safety lock
- Safety valve
- Steam flow control: on handle (two-step)
- Tank: can be refilled whenever needed
- Steam cleaners / spray-extraction cleaners: 2.2 m
- Integrated on / off switch
- Accessory storage on the device

¹⁾ When spot cleaning with the Kärcher steam cleaner, i.e. steaming for 30 seconds at maximum steam setting in direct contact with the surface to be cleaned, up to 99.9% of enveloped viruses, such as influenza viruses (with the exception of the hepatitis B virus), can be removed from standard smooth hard surfaces in the home. (test germ: Modified vaccinia virus Ankara). ²⁾ When cleaning at a cleaning speed of 30 cm/s at maximum steam setting and in direct contact with the surface to be cleaned, up to 99.9% of all common household bacteria are eliminated on common household smooth hard surfaces (test germ: Enterococcus hirae). ³⁾ The use of the descaling cartridge extends the lifetime of the device by ten times (based on operation without a cartridge, a water hardness of 20 °dH (degrees German hardness) and a carbonate hardness of 15 °dH (degrees German hardness), based on internal durability tests). Regular replacement of the descaling cartridge at the maintenance interval is essential.

Short heat up time

- Needing only 40 seconds of heat up time, the steam cleaner is quickly ready to use.

Non-stop steam and integrated descaling cartridge

- The tank can easily be refilled at any time, even while you're cleaning, for non-stop steam.
- The intelligent descaling cartridge automatically removes limescale from the water, dramatically extending the service life of the device.

Floor cleaning set: EasyFix with flexible joint and convenient hook-and-loop attachment of the cleaning cloth

- Optimal cleaning on all types of hard floors around the home, thanks to efficient lamella technology.
- Change the cleaning cloth without coming into contact with dirt, and easily attach the cloth with a hook-and-loop system.
- Ergonomic effective cleaning with full-floor contact, regardless of your height (due to the flexible nozzle joint).

EQUIPMENT FOR SC 3 EASYFIX (WHITE)

1.513-657.0

		Order no.	Description
