Weight incl. packaging	kg	2.8

Effective weed removal with the optimal combination of weed remover and hot water high-pressure cleaner

- Integrated nozzle adapter adjusts the water volume for the respective Kärcher hot water high-pressure cleaner.
- The latest Kärcher burner technology ensures the optimal water temperature for weed removal (up to 98°C).

For time-saving weed removal on larger areas

- 100 centimetre wide nozzle bar with even water distribution and high area performance.
- Integrated chassis for maximum working comfort.
