Line length per spool	m	3.6
Colour		Black
Weight incl. packaging	kg	0.1
Dimensions (L × W × H)	mm	75 × 75 × 34

Twisted cord

- Precise, quiet and reliable – all this is guaranteed with the twisted cord.

Automatic cord supply

- The cord is automatically readjusted and is therefore always the perfect length.

Coil can be changed tool-free

- A few simple hand movements make possible the tool-free change of the coil.
