CS 40 ME

The highly efficient CS 40 Me cyclone preseparator for all Kärcher wet and dry vacuum cleaners is a specially designed accessory for fine dust applications on construction sites or in industry.

Order no.	2.863-026.0

Technical data		
EAN code		4054278234335
Quantity	Piece(s)	1
Colour		silver
Weight	kg	8
Weight incl. packaging	kg	8.3
Dimensions (L × W × H)	mm	545 × 545 × 835

The separation degree is greater than 99%.

- Dust-free and uninterrupted operation during sanding and other applications with power tools.

Large 40-litre stainless steel container with four robust metal castors

- Excellent manoeuvrability on all surfaces, long service life and very easy container emptying.

2-metre-long, electrically conductive suction hose (ID 40) for connecting to the wet and dry vacuum cleaner

- The electrical conductivity of the suction hose prevents the risk of electrostatic build-up.
